The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**APPROVE AN AMENDMENT TO LAW ENFORCEMENT SERVICES CONTRACT
BETWEEN THE LOS ANGELES COUNTY SHERIFF'S DEPARTMENT AND THE LOS
ANGELES COUNTY METROPOLITAN TRANSPORTATION AUTHORITY
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The Los Angeles County Metropolitan Transportation Authority (MTA) has requested to enter into an extension of its contract for law enforcement services provided by the Los Angeles County Sheriff's Department (Department) from June 1, 2009, through June 30, 2009. The Los Angeles County (County) previously agreed to extend the contract from April 1, 2009, through May 31, 2009. The amendment will provide services for a one month period at a cost of approximately \$5,310,162. This amendment will have no negative impact upon law enforcement services in the unincorporated areas within Los Angeles County.

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and instruct the Chair of the Board to sign an amendment with MTA, extending the current law enforcement services contract for a one-month period. This extension shall be effective June 1, 2009, and shall remain in effect until June 30, 2009, unless a new agreement between the parties is approved prior to that date. The approximate cost of law enforcement service for the one-month period is \$5,310,162.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to gain your Board's approval for the Department to continue providing law enforcement services to MTA. This will be accomplished through the means of a one month contract extension.

A Tradition of Service

Implementation of Strategic Plan Goals

This recommended action conforms with Los Angeles County's Strategic Plan, Goal 1, Operational Effectiveness. All Department costs are fully reimbursed by MTA.

FISCAL IMPACT/FINANCING

There is no net County cost to this contract. The MTA shall pay the County for said services according to the appropriate and prevailing billing rates as determined by the Auditor-Controller for the current fiscal year. The estimated cost of approximately \$5,310,162 will offset the cost of implementing the contract and providing service effective June 1, 2009, and ending June 30, 2009.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On October 23, 2008, the MTA Board of Directors authorized the Chief Executive Officer (CEO) of the MTA to enter into direct negotiations with the Department for a Transit Community Policing Services Contract.

Although contract negotiations between the MTA and the Department have been ongoing since October 2008, the contract could not be finalized until the newly selected CEO was appointed on March 5, 2009, and the CEO subsequently participated in the contract negotiations.

It is therefore, unlikely that a new contract agreement will be reached before the existing contract expires on May 31, 2009. This amendment will allow for service to continue while negotiations are ongoing.

Once an agreement is reached on a new Transit Community Policing Services Contract, this amendment will become null and void. The amendment provides that if a new contract is approved, effective, and fully executed by MTA and County before June 30, 2009, then, upon the effective date of the new contract, this amendment will become null and void, services will cease under the current contract, and the current contract will terminate. This amendment has been approved by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There is no anticipated impact on current law enforcement services in the unincorporated areas of the County.
